## FULL CUSTOM GIORDANA SIZING KIT

It's a great idea to get your team together to collect the quantities and sizes you will need. You can reference our sizing chart and description of Giordana's fits. In addition, sizing kits are available, upon request, so plan ahead if you'd like to have sample garments in hand when you pick your team's sizes. You only pay the freight and can have the kit for **14 days**. If not returned in 14 days, your credit card will be charged for the clothing sample order. Sample clothing is for sizing purposes only and is not to be worn or road tested. If samples are returned soiled or showing excessive wear, your credit card will be charged for the item(s).
